

EMILY HARRIS

WEB DEVELOPER

PROFILE

I'm a recent graduate of The Iron Yard's Backend Engineering program where I learned Python and Django. I most enjoy the problem-solving aspect of coding and look forward to continuing to grow my skills as a developer. I enjoy the creative process of seeing something grow from idea to a fully-developed application.

SKILLS

PYTHON
DJANGO
RESTFUL APIs
DATABASES
HTML
CSS
BOOTSTRAP
GIT VERSION CONTROL
GITHUB
DEPLOYMENTS

EDUCATION

CERTIFICATE, BACKEND WEB DEVELOPMENT

THE IRON YARD, GREENVILLE SC

2016

GRADUATE CERTIFICATE, HIGHER ED. LEADERSHIP

UNIVERSITY OF SOUTH CAROLINA, COLUMBIA SC

2007 - 2008

BACHELOR OF ARTS, COMMUNICATION STUDIES

FURMAN UNIVERSITY, GREENVILLE SC

1999 - 2003

RECENT PROJECTS

FAMILYTV.ONLINE

[FAMILYTV.ONLINE](http://familytv.online) (2016)

My final project for The Iron Yard. It was created using Python and Django. Front end development includes HTML, CSS, and Bootstrap. It was successfully deployed using Heroku and AWS S3.

ONLINE CLASSIFIEDS APPLICATION

[EMILYSLIST.HEROKUAPP.COM](http://emilyslist.herokuapp.com) (2016)

This is a classifieds site, meant to simulate Craigslist. It was created using Python and Django. It also includes an API using Django REST Framework. Front end development includes HTML, CSS, and Bootstrap. It was successfully deployed using Heroku.

URL SHORTENER APPLICATION

[EMILY-URL-SHORTENER.HEROKUAPP.COM](http://emily-url-shortener.herokuapp.com) (2016)

This is a fully functional URL-shortening website, meant to simulate bit.ly. It was created using Python and Django. Front end development includes HTML, CSS, and Bootstrap. It was successfully deployed using Heroku.

EXPERIENCE

DATA INTEGRATION ENGINEER

CHARTSPAN

Used Python to automate thick client integrations for healthcare records. Wrote new integrations as well as maintained and refactored previously written code.

2016 - 2017

ACCOUNTING

GREENVILLE TECHNICAL COLLEGE

Responsible for all forms of accounting and management including financial statement publication, grant accounting, and payment oversight.

2003 - 2016
